Corrigendum

Corrigendum to "Identification if a New *FLCN* Variant in a Patient with Suspected Birt-Hogg-Dubé Syndrome Presented with Cutaneous Late-Onset Angiofibroma" [Thai J Dermatol 2024; 40: 81-84]

Received 23 February 2026; Accepted 1 March 2026

Thanyasak Bespinyowong, Tanattrin Bunnag, Chavalit Supsrisunjai, "Identification if a New *FLCN* Variant in a Patient with Suspected Birt-Hogg-Dubé Syndrome Presented with Cutaneous Late-Onset Angiofibroma," Thai J Dermatol 2024; 40: 81-84

The authors regret to inform that the original version of this article contained errors in the title and the author list. The title was incorrectly published as "Identification **if** a New *FLCN* Variant in a Patient with Suspected Birt-Hogg-Dubé Syndrome Presented with Cutaneous Late-Onset Angiofibroma", whereas the correct title should read "Identification **of** a New *FLCN* Variant in a Patient with Suspected Birt-Hogg-Dubé Syndrome Presented with Cutaneous Late-Onset Angiofibroma."

Additionally, the second author's name was erroneously listed as **Tanattrin** Bunnag; the correct name is **Thareena** Bunnag.

The authors sincerely apologize for these errors and any inconvenience caused to the readers.
