Journal Policies

The Insight Urology is the official journal of the Thai Urological Association under the Royal Patronage. We accept interesting urological topics from physicians and all medical providers. The topics should not have been previously published.

Objectives

1. To enhance medical research in urology
2. To propose academic discussions in urology
3. To distribute dedicated works and research in urology

Our experts and native English speakers will review all chosen topics. All of the content and opinions in this journal belong solely to the authors, and do not express the opinions of the editors or the Thai Urological Association under the Royal Patronage.
