## EDITORIAL

---

I am pleased to inform the Royal Thai College of Obstetricians and Gynaecologists (RTCOCG) members that Thai Journal of Obstetrics and Gynaecology (TJOG) already received the Q4 journal rankings (143/192 journals) with SJR score 0.137 in Obstetrics and Gynaecology category from Scimago Journal & Country Rank 2021. The quality of TJOG has been improved. TJOG has been indexed in many databases: Scopus, TCI, ASEAN Citation Index, DOAJ, EuroPub, and Google Scholar. The journal editorial team would like to thank past RTCOCG executive board, past editor in chief, editorial board and staff, reviewers, all members of RTCOCG, and all researchers for their kind contribution and support to TJOG.

Editor in Chief and managing staff will attend "Meeting of the project to develop the system and improve the quality of Thai journals in the Scopus database," which is a continuation of the project. "TCI-TRF-Scopus Collaboration Project" on August 11, 2022 at Eastin Grand Hotel, Sathorn Road, Bangkok, Thailand.

This fourth issue of TJOG 2022 contains many interesting articles. One special article is "The Thai 2022 Sexually Transmitted Infections Treatment Guideline: Abnormal vaginal discharge".

RTCOCG Annual Meeting 2022 will be held during 25-28 October 2022 at Pattaya Exhibition and Convention Hall (PEACH), Royal Cliff Beach Hotel, Chonburi, Thailand. The theme of this meeting is "OB-GYN 2022: Now and Beyond". This meeting will have AOFOG session. All RTCOCG members are cordially invited to participate this scientific meeting.

Residents who would like to publish their researches in TJOG should submit their works before September 30, 2022. Our editorial team and constructive reviewers will let them know the results before December 31, 2022.

Wish to see you at RTCOCG Annual Meeting 2022 at Pattaya Exhibition and Convention Hall (PEACH), Royal Cliff Beach Hotel, Chonburi, Thailand.
