

EDITORIAL

This second issue of Thai Journal of Obstetrics and Gynaecology (TJOG) 2016 contains many interesting articles. One special article states the way to eliminate congenital syphilis in Thailand from the National Guideline.

RTCOC Annual Meeting 2016 will be held during October 17, 2016 - October 20, 2016 at The Royal Golden Jubilee Building, 2 Soi Soonvijai, New Petchburi Road, Huay Khwang, Bangkok, Thailand. The theme of this meeting is "STRONGER". All RTCOC members are cordially invited to participate this scientific meeting. All RTCOC members who would like to present their researches please prepare the abstract and follow RTCOC website.

Residents who would like to publish their researches in TJOG should submit their works before October 1, 2016. Our editorial team and constructive reviewers will let them know the results before December 15, 2016.

Wish to see you at RTCOC Annual Meeting 2016 in Bangkok.
